Help Protect What Matters – You, Your Family & Your Future

We understand you’ve worked hard to get where you are today. Ensuring your loved ones can maintain financial stability if an unexpected death should occur is something to consider when planning for the future.

We’ve Got You Covered

As an active employee of Full Visibility LLC, you have access to a life insurance policy from United of Omaha Life Insurance Company.

It replaces the income you would have provided, and helps pay funeral costs, manage debt and cover ongoing expenses.

How much insurance is enough?

When determining how much life insurance you need, think about the expenses you may encounter now and through every stage of your life.

Coverage guidelines and benefits are outlined in the chart below.

ELIGIBILITY - ALL ELIGIBLE EMPLOYEES

In order for your spouse and/or children to be eligible for coverage, you must elect coverage for yourself.
Premium Payment	The premiums for this insurance are paid in full by you.

Voluntary Term Life and AD&D Coverage Selection and Premium Calculation

Please note that the premium amounts presented below may vary slightly from the amounts provided on your enrollment form, due to rounding.

To select your benefit amount and calculate your premium, do the following:

- 1) Locate the benefit amount you want from the top row of the employee premium table. Your benefit amount must be in an increment of \$10,000. Refer to the Coverage Guidelines section for minimums and maximums, if needed.
- 2) Find your age bracket in the far left column.

- 3) Your premium amount is found in the box where the row (your age) and the column (benefit amount) intersect.
- 4) Enter the benefit and premium amounts into their respective areas in the Voluntary Life and AD&D section of your enrollment form.

If the benefit amount you want to select is greater than any amount in the table below, select the benefit amount from the top row that when multiplied by another number results in the benefit amount you want. For example, if you want \$150,000 in coverage, you obtain your premium amount by multiplying the rate for \$50,000 times 3.
